

Cox Mobile and OtterBox Partner for Boys & Girls Clubs of America Phone Case Art Contest

OtterBox to produce a phone case featuring winning design from to-be-named Boys & Girls Clubs member

ATLANTA, [FEBRUARY 6, 2025]— Cox Mobile, Cox Communications' mobile phone service, welcomes OtterBox as the exclusive phone case provider to manufacture a custom phone case designed as part of a scholarship contest for Boys & Girls Club teens. The winner will receive a \$25,000 scholarship.

Cox Mobile's contest invited eligible Boys & Girls Club members in Cox markets to submit an original phone case design, inspired by the theme "A World Within Reach." The winning design will be manufactured by OtterBox, the No. 1 most trusted smartphone case in the U.S., and made available for purchase through otterbox.com and Cox Mobile retail stores. Proceeds will go to the Boys & Girls Clubs of America.

"Partnering with OtterBox as our exclusive phone case provider elevates the impact of this contest," said Tony Krueck, Senior Vice President of Residential Mobile and Product. "Their commitment to producing and selling the winning design amplifies our goal of inspiring young artists while supporting Boys & Girls Clubs of America. Together, we're creating an opportunity that fosters creativity and gives back to our communities in a meaningful way."

"The mission at our company is grounded in giving back," said OtterBox CEO Trey Northrup. "Through the OtterCares Foundation, we've had a long-standing relationship with local Clubs affiliated with the Boys & Girls Clubs of America and many of our employees use their volunteer time off there. We're honored to be part of the contest Cox is hosting as it empowers children to think big and make an impact."

The Cox Mobile phone case contest launched on October 1, 2024 in partnership with Boys & Girls Clubs of America alumni [Mario Lopez and Dr. Mona Dixon](#). The contest submission window is closed and judging is currently underway. For complete contest details, including submission guidelines and eligibility criteria, visit www.cox.com/phonecasecontest. Finalists and the grand prize winner will be announced in the spring, with phone cases available to purchase later in the year.
