

Cox Mobile to Offer Phones from the Latest Google Pixel Lineup

The latest Google Pixel 10 and Google Pixel 10 Pro XL are available for purchase now.

Atlanta, GA – August 28, 2025 -- Cox Mobile is now offering the impeccably designed Google Pixel 10 and Pixel 10 Pro XL, featuring Pixel's most powerful chip, an incredible camera, and Gemini1 built in to super charge your productivity and creativity.

Highlights of these devices include:

- Instead of typing, use Gemini Live to have a natural, free-flowing conversation.¹ Share your screen, or even add an image, file, or YouTube video for a more in-depth conversation.²
- Camera Coach uses Gemini models to read the scene, offer you suggestions, and help you find the best angle and lighting. It can even suggest the best modes for you to use.³
- Magic Cue can simplify your digital life by anticipating and proactively suggesting relevant info and helpful actions.⁴ Calling your airline? It finds your flight info from your email. A friend texts asking the location for dinner? Magic Cue finds the restaurant from your calendar.

"We're excited to expand our Cox Mobile lineup with the latest innovations from Google," said Tony Krueck, SVP of Mobile and Product for Cox Communications.
