

# Cox Mobile to Offer New Motorola Razr

*The new addition to the Motorola lineup puts everyday essentials right at your fingertips, without opening anything.*

ATLANTA, May 22, 2026 – Cox Mobile is now offering the new Motorola Razr, putting everyday essentials right at your fingertips. The device features an ultra-compact, durable design that easily allows you run full apps, reply to messages and stay connected on the 3.6" external display – without having to flip open the phone.

The new Motorola Razr allows you to capture photos in new ways with Flex View and a powerful dual 50MP main camera system. With over 36 hours of battery life<sup>1</sup>, fast TurboPower™ charging<sup>2</sup>, premium Pantone® finishes, and IP48 protection<sup>4</sup>, it's built to keep up. Additional features include:

- Fold your phone to capture photos from any angle with pro-grade cameras.
- Edit photos just by asking.
- A bigger view when open for entertaining, gaming and multitasking.
- Iconic design. Built to last with military grade durability<sup>3</sup>.
- Super smart assistance with moto ai.<sup>5</sup>

Switch to Cox Mobile and get \$200 off the new 2026 Motorola Razr. No trade in required. Offer good from 5/21/2026 through 7/21/2026. Cox Mobile is exclusively available to Cox Internet customers in all Cox markets nationwide. Cox Mobile runs on the network with unbeatable 5G reliability<sup>6</sup>. With unlimited talk and text and no term agreements, customers have access to two simple data plans designed with their needs and budget in mind – Pay As You Gig and Gig Unlimited. See Cox Mobile plans [here](#).

For more details on pricing and data plans, please visit [cox.com/mobile](https://cox.com/mobile).

---

<sup>1</sup> Over 36 hours of battery life. All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition, and usage patterns.

<sup>2</sup> Fast 30W TurboPower™ charging. Requires Motorola TurboPower™ 30W Charger; sold separately. All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition, and usage patterns.

<sup>3</sup> Military-grade protection. Independently tested and certified by SGS, a global inspection/testing firm, to meet MIL-STD 810H standard. The U.S. Department of Defense's MIL-SPEC standards establish methodologies for testing products against environmental stresses under controlled laboratory conditions. Motorola tests devices against hazardous physical and environmental conditions under select categories and procedures of the MIL-STD-810H standard to determine durability. Such testing and certification is not a guarantee of future performance under these test conditions. Abuse, like that contained in MIL-

STD 810H testing, is not covered under Motorola's standard warranty.

<sup>4</sup> IP48 dust and underwater protection. Tested under controlled laboratory conditions, the phone is water and splash resistant to a rating of IP48 (IEC 60529) and can be submerged in up to 1.5 meters in still, fresh water for up to 30 minutes. Exposure to conditions beyond this rating are not covered by warranty. Resistance will decrease as a result of normal wear. Not designed to work while submerged underwater. Do not expose to pressurized water, or liquids other than fresh water. Do not attempt to charge a wet phone. Designed to protect against ingress of solid objects larger than 1mm. Not waterproof or dust proof.

<sup>5</sup> moto ai. Motorola Account login is required to access moto ai features. An internet or cellular connection is needed for functionality. The following languages are supported: English, Spanish, Portuguese, Japanese, German, French, Polish, Romanian, Italian.

<sup>6</sup> Cox Mobile runs on the network with unbeatable 5G reliability as measured by Ookla, LLC in the U.S., 2H 2025. Results may vary. Not an endorsement. Wifi not tested.

▫ Requires active Cox post-paid internet, enrollment in paperless billing and Cox EasyPay. Offer ends 7/21/26 or while supplies last. Subject to change. Requires purchase on a new Cox Mobile line of a Motorola RAZR 2026 financed on a \$0 down/0% APR, 24-month Cox Device Payment Plan ("DPP") for well-qualified customers. Limit one device per line. Receive \$200 off device cost in 24 monthly bill credits starting within 3 billing cycles. If line is canceled, voluntarily or involuntarily, transferred or financed device is removed from Cox Mobile line, bill credits will stop, and customer is responsible for full monthly payments for the remainder of DPP. Offer not valid for purchases or DPPs made before 5/21/26. May not be combined with other device offers. Taxes, fees, other charges, and additional restrictions apply.
