

Cox Mobile Now Offering the Newest Samsung Foldable Devices

The latest foldable smartphones from Samsung continue to push the boundaries of mobile innovation, whatever shape your life takes.

ATLANTA, July 22, 2026 - Cox Mobile is now offering the latest generation of Samsung's groundbreaking foldable smartphones — the Samsung Galaxy Z Fold8 series. After years of crafting and perfecting, our latest is our greatest, offering you three unique options with the Samsung Galaxy Z Fold8 Ultra, Galaxy Z Fold8, and Galaxy Z Flip8 to unfold more productivity, more discovery and more fun.

The Samsung Galaxy Z Fold8 series is available now for pre-order through Cox Mobile. General availability begins 8/7/2026.

Experience what's possible with our most advanced processor yet on Galaxy Z Series. From immersive gaming and speedy multitasking to using the latest Galaxy AI¹ features, the Snapdragon 8 Elite Gen 5 for Galaxy works behind the scenes to keep everything running seamlessly.

- Productivity never felt this powerful. Use up to three apps² at once on the expansive inner screen of Galaxy Z Fold8 Ultra, and enjoy plenty of space to work, play and more.
- Escape into your favorite movies, books and socials like never before with the all-new Galaxy Z Fold8, redesigned from the ground up for a fuller content experience. Now you can really get immersed in what you love wherever you are with the world's lightest fold.³
- Do less by doing more on the cover screen of Galaxy Z Flip8. Use Flex Window to tackle even more AI tasks with your phone closed so you can focus more on living in the moment.

Bring on the bumps, jumps and chaos. Super Steady Video with Horizontal Lock⁴ keeps your footage perfectly upright for smooth, level footage every time on the Samsung Galaxy Z Fold8 Series.

Trade in and save up to \$900 on the Samsung Galaxy Z Fold8 series.▫ Cox Mobile is exclusively available to Cox Internet customers in all Cox markets nationwide. Cox Mobile runs on the network with unbeatable 5G reliability. With unlimited talk and text and no term agreements, customers have access to two simple data plans designed with their needs and budget in mind — Pay As You Gig and Gig Unlimited. See Cox Mobile plans [here](#).

For more details on pricing and data plans, please visit cox.com/mobile.

¹Galaxy AI basic features provided by Samsung are free. Any Samsung enhanced AI features and all third-party AI features are subject to different terms and may be subject to fees.

²Multi Window works with select applications.

³Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch.

⁴Available on wide & ultra wide lenses; supports up to QHD at up to 60fps. Image will be cropped to maintain a level horizon.

▫ Requires active Cox post-paid internet, enrollment in paperless billing and Cox EasyPay. Offer ends 9/15/2026 or while supplies last. Subject to change. **Bill Credits:** Requires purchase on a new Cox Mobile line of an eligible phone financed on a \$0 down/0% APR, 24-month Cox Device Payment Plan ("DPP") for well-qualified customers. Limit one phone per line. Receive \$100 off phone cost in 24 monthly bill credits starting within 3 billing cycles. If line is canceled, voluntarily or involuntarily, transferred or financed phone is removed from Cox Mobile line, bill credits will stop, and customer is responsible for full monthly payments for the remainder of DPP. Offer not valid for purchases or DPPs made before 7/22/2026. **Trade-In Credits:** Receive up to \$800 credit with trade-in of qualifying phone; amount varies based on phone. Trade-in credit will be applied instantly for trade-ins made in-store. Trade-ins completed via mail will be made in the form of an eRefund. Taxes, fees, other charges, and additional restrictions apply. Learn more at <https://www.cox.com/residential/mobile/deals.html>.

About Cox Communications:

Cox Communications is committed to creating meaningful moments of human connection through technology. As the largest private broadband company in America, we own network infrastructure that reaches more than 30 states. Our fiber-powered wireline and wireless connections are available to more than 12 million homes and businesses and support advanced cloud and managed IT services nationwide. We're the largest division of Cox Enterprises, a family-owned business founded in 1898 by Governor James M. Cox that is dedicated to empowering others to build a better future for the next generation.
